

Digital Media Licensing Association Code of Ethics

The Digital Media Licensing Association, through its global membership, vigorously supports a standard of business practice that sustains the highest degree of honesty, integrity and fair play with clients, contributing artists, and other companies in the business of or serving digital media licensing. DMLA has a commitment to the protection of intellectual property and represents the highest quality of digital media, service and membership support. DMLA will from time to time, create and distribute industry best practices that reflect these principles.

Certification

I / We (as the principals) of the member company agree to abide by the DMLA Code of Ethics as stated above including adhering to the organization's best practices.

Membership and payment of dues will signify acceptance of the Code of Ethics and DMLA's published best practices.
